Shanghai Aipu Waton Electronic Industries Co.,Ltd.

Add.: No.4888 Hunan Road,Shanghai,China Tel.:+86-21-58144888 Fax:+86-21-58147955 E-mail: lixin@aipu-waton.com

Basic Information:

Company Name	Shanghai Aipu Waton Electronic Industries Co.,Ltd.
Business Type	Manufacturer, Exporter
Product/Services	ELV Wire and Cable, Surveillance System (CCTV System), Comprehensive Line-fixing Products (Generic Cabling System)
Registered Address	No.4888, Hunan Road, Nanhui District, Shanghai, China
Number of Employees	501 - 1000
Website URL	www.aipu-waton.com

Ownership & Capital:

Year Established	1992
Capital	1,200,000 USD
Legal Representative/Business Owner	Jiangang Hua

Trade & Market:

Main Markets	China Mainland, Europe, North America, South America, Southeast Asia, Middle East, Africa, Oceania etc.
Total Annual Sales Volume	US$50 Million - US$100 Million
Brand Name	AIPU

Primary Competitive Advantages:

*Experienced R&D Department (Experienced Technical Staff)
*OEM Capability
*Production Capacity
*Large Product Line
*Reliability (Product Performance)
*Buyer's Specifications Accepted
*Reputation
*Guarantee/Warranty
*Service: perfect sales and after-sales service, technology upgrade
*Small Orders Accepted: Accepted
* Prompt Delivery
* Price

Factory Information

Factory Size	80,000 in Square Meters/861,113 in Square Feet
Factory Location	No.4888,Nanhui District, Shanghai, China
QA/QC	In-house
No. of R&D Staff	31 - 40
No. of QC Staff	6 - 10
No. of Production Lines	1) More than 10 Insulation and Jacket production lines 2) More than 100 high speed braiding machines 3) More than 10 oxygen-free copper process and anneal machines 4) More than 10 stranded conductor machines 5) More than 10 cabling machines 6) More than 5 camera production lines
Management Certification	GB/T19001-2000 idt ISO9001: 2000
Contract Manufacturing	OEM Service Offered

Production Equipment

Conductor Drawing Machine	Conductor Bunching Machine	High-speed Braiding Machine
Auto-rolling Machine	Extruder	High-speed Cabling Machine

Reputation

Reputation	Top 10 National Brands in China Security Industry
	Top 10 Enterprises in China Security Industry
	Chinese Well-known Trademark
	Shanghai Famous Star Enterprise

Test Equipment

DC Resistance Bridge	Microscope & Sheet-punching Machine	High Voltage Tester
Twist Tester	Fire Resistance Tester	Thickness Tester

Certificate

Quality Management System	GB/T19001-2000 idt ISO9001: 2000
High Definition Camera	CE (No.BT0903251010)
WDR Camera	CE (No.BT0903251011)
IP Intelligent High Speed Dome	CE (No.BT0903251012)
IR Waterproof Camera	CE (No.BT0903251013)
IR Constant Speed Dome	CE (No.BT0903251014)
Intelligent High Speed Dome Camera	CE (No.BT0903251015)
CCTV Video Tester	CE (No.BT0903251016)
Power Cable: RVV,RVS,RVB	CCC (No.2004010105132778)
Alarm Cable: BV,BVR	CCC (No.2004010105132786)
Elevator Cable: TVVB	CCC (No.2004010105132785)
Control Cable: AVVR,RVVP	CCC (No.2004010105132781)
Network Cable: CAT.5 UTP	Certificate of Network Access for Broadcast Equipment (No.031050801119)
CCTV/CATV Cable: SYWV-75-5	Certificate of Network Access for Broadcast Equipment (No.031050801118)

Order Process

Price	Competitive price with good quality and reliable service
Prompt Delivery	3-5 days for sample, 1 week or more for quantity order
Quality Approvals	CCC, CE
Service	perfect sales and after-sales service, technology upgrade
Packaging	plywood drum or wooden case on pallet, carton or customized
Small Orders Accepted	Accepted

Brief Introduction

Shanghai Aipu Waton Electronic Industries Co.,Ltd., a high-tech enterprise, manufacture of Extra Low Voltage Cable and CCTV Camera for International market, jointly invested by Waton International (Hong Kong) Investment Co.,Ltd. and Shanghai Aipu Electronic wire & cable system Co.,Ltd., was founded in 1992. Our headquarters is located at No.4888 Hunan Road, Pudong New District, Shanghai, China.

Through years of development, Aipu Waton has become a comprehensive high-tech enterprise integrated with manufacture, research & development, sales and service, which achieves management capital over 500 Million RMB, factory area 80000m^2, employees about 1000(including R&D staff more than 100). Our market and service network cover almost all large and medium-sized cities in China.

ELV wire and cable, security and surveillance products and generic cabling system (comprehensive line-fixing products) are our main products, which are widely used in many industries, including: urban construction, real estate, industrial enterprises & mines, banking, transportation, public security, Broadcasting & Television, electric power and telecommunications, stationery and trading etc. With our reliable quality and perfect service, we have been awarded well-known reputation, like “Top 10 National Brands in China Security Industry”, “Top 10 Enterprises in China Security Industry” and “Shanghai Enterprise Star” etc. We are sole or appointed supplier for a number of national key projects, such as Beijing Olympics Stadiums, China Safety City Project, Shanghai World Financial Center, Daya Bay Nuclear Power Station and Armed Police Force Three Echelons Network Application etc.

Being the leading enterprise in the industry, awarded as the vice-director unit of China Security and Protection Industry Association, Aipu Waton is committed to creating international famous brand as our responsibility. We keep expanding the production capability and renovating technology and improving service, management and company culture so as to provide high performance-price ratio products to all of our customers.

Aipu Waton has maintained excellent and long-term relationship with thousands of customers and make full efforts to achieve common development with them.

Aipu Waton, your reliable partner.

Our Main Products are CCTV camera, Standalone DVR and CCTV cable.

Such as:
1) Box Camera,
2) High Speed Dome Camera,
3) Mini Dome Camera,
4) IR Dome Camera,
5) IR Outdoor Camera,
6) Zoom camera,
7) WDR Camera,
8) Low Illuminance Camera,
9) IP Camera,
10) Standalone DVR,
11) Industrial-PC DVR,
and security cables, like
12) Access Control Cable,
13) Security System Cable,
14) Intercom System Cable,
15) Monitor/Detection Cable,
16) Data Circuits Cable,
17) Control Circuits Cable,
18) Notification Circuits Cable,
19) Fire Alarm System Cable,
20) Public Addressing System Cable,
21) Sound/Audio System Cable,
22) Nurse Call System Cable,
23) CCTV Cable Siamese,
24) Lock Power Cable,
25) Door Control Cable,
26) PTZ Control Cable,
27) CCTV plus Audio or Power Cable,
28) CCTV plus Control and Power Cable,
29) Burglar Alarm Cable,
30) Alarm Cable,
31) Network Cable (Twist Pair Cable),
32) Coxaial Cable,
