BCDVideo™

BCDVideo is a global manufacturer of purpose-built IP video recorders. As HP's certified global OEM for IP video surveillance, BCDVideo delivers proven, reliable solutions built to perform for the duration of your IP video security project.

Service & Solution Benefits

- Video Recorders and Access Control Servers deliver globally within 14 business days
- High-performance solutions engineered specifically for each project
- Standard five-year worldwide on-site Next Business Day (NBD) warranty
- Lifetime telephone support
- 100% on-site hardware coverage on all internal components
- Active Health features that allow for virtually 100% uptime

Unique Features

- All servers are optimized for video streaming
- Recorders boast 23% better performance than non-optimized products
- 6G SAS technology allows for simultaneous, bi-directional data reading/writing
- Higher bandwidth capabilities than ANY server built with SATA drives
- 10x greater mean time between failure over SATA
- Servers come fully tested and, per request, pre-loaded with your choice of VMS (licenses not included)
- Enterprise video recorders include embedded BCDVideo technology
  - + SMARTrecovery – Disaster Recovery Module
  - + SMARTvms – Video Recovery Module
  - + SMARTconnect – Remote Access Module
  - + SMARTcontrol – Complete System Monitoring

Zero Total Cost of Ownership for Five Years

- BCDVideo performance guarantee: in the event of a shortfall in necessary storage or performance calculations, ***all hardware costs are fully covered***
- Industry leading, total coverage warranty
- BCDVideo SMARTtechnologies reduce time on-site
- Predictive hard drive alerts ensure full solution uptime
