

# IP Intelligent Auto Tracking High Speed Dome

Model No. **APG-IPKD6**

<b>Powerful Intelligent Auto Tracking System</b>	
1. Auto tracking object	
2. Tracking in programmable area	
3. Timing Preset Tracking	
4. Alarm Tracking	
5. Motion Detection	
6. Perfect tracking system by auto or manual	
<b>IP Surveillance System</b>	
1. Manual Frame rate continuous adjustment: 1 frame/sec.~30 frames/sec.	
2. Video code rate continuous adjustment: 33Kbps-3Mbps	
3. Embedded Web Server, support Internet Explore	
4. Support fixed or changeable code rate image quality and code rate can be set simultaneously.	
5. Support DDNS support	
6. TCP, UTP, RTP, PPPOE protocols	
7. Image Resolution: D1, CIF, FIELD, QCIF optional, 25 frames/sec. (PAL) , 30 frames/sec. (NTSC) max.	
8. Support NTSC/PAL Composite Video	
9. Support snapshot, remote recording and playback function	
10. Support Motion Detection, motion section and sensitivity setting	
11. Support auto recording and snapshot for alarm	
12. Support Motion Detection Recording, continuous recording, timing preset recording and manual recording	
13. Support video loss alarm function	
14. AV & AVI recording format support by Windows Media Player	
15. Multilevel user management supports multi-users access simultaneously	

## Technical Data

Model No.	APG-IPKD6
Manual Pan speed	0.1~300°/S
Manual Tilt speed	0.1~120°/S
Preset Position Speed	0.1~400°/S
Pan continuing Rotation	360°
Preset Position Accuracy	±0.1°
Preset Position Storage	128pcs
PTZ Tours	3pcs
Programmable Vector Tour	6pcs
Zoom Camera	SAMSUNG
	23X Optical Zoom (f=3.8~88.4mm)
	540TVLINE
Menu	Multilingual (English, Chinese, German, French, Russian, Italian, Spanish)
Monitoring	Dynamic monitoring
Memory at power off	Intelligent memory at power off
