# GKB Zoom Cam Series

World 1st HQ-1 Zoom Camera

**GKB released a complete new zoom cam series to complete the product line.**

GKB zoom cam series is the world 1st HQ-1 zoom camera that displays crystal clear images and presents wide range of surveillance view. Now GKB zoom cam series includes a box camera and a long range weatherproof IR bullet camera.

- World 1st HQ-1 Zoom Camera
- 580 TV Line
- Tamron 12X 3.8-45.6 Zoom Lens
- User-friendly OSD control
- Ideal for various installation environment

### GKB 2713

GKB integrate zoom function into IR bullet camera to provide more possibilities of surveillance application. It features 100meter IR range, and many GKB innovative camera functions include Adjustable IR Intensity, Smart IR Control, Failed LED Reminder, and so on.

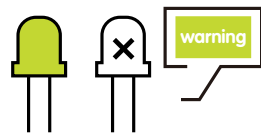

**Adjustable IR Intensity** allow users to adjust the IR LED current to control the illumination according the lens angle and applied environment to have the best IR distance and image quality. The inner circle of IR LEDs are in charge of illumination for deep and far scene; the outer circle of IR LEDs are for wide and broad scene.

### Smart IR Control

While the object is too close to the camera, the camera would automatically adjust its image to prevent IR over-exposure problem. It provides clear/distinct picture no matter the object is close or far away.

**Failed LED Reminder** is a unique and practical function. There are 10 circuits on the IR PCB, each circuit has 6pcs IR LEDs. Once any of IR LED is failed, a warning sign will automatically be shown on the screen to remind user to change the IR board for obtaining the best night image.

### GKB Zoom Cameras:

| Model no.  | Infrared | ICR | TVL | IR Range | Lens                    | Heater                              | Hidden-Cable Bracket | OSD | RS-485 |
|--|----------|-----|-----|----------|-------------------------|-------------------------------------|----------------------|-----|--------|
