

## About Allegion

**Allegion** (NYSE: ALLE) helps keep people safe where they live, work and visit. With 23 global brands, Allegion (pronounced uh-lee-juhn) is pioneering safety as a provider of security solutions in hospitality, education, healthcare, government, commercial office and single- and multi-family residential markets. Allegion specializes in security around the doorway and beyond: from residential and commercial locks, door closers and exit devices, steel doors and frames to access control systems and workforce productivity systems.

Global channel partners

## Pioneering Safety for Over a Century

Several of Allegion's brands created their respective product categories, including Schlage (cylindrical locks), Von Duprin (exit devices), LCN (door closers) and CISA (electrically controlled locks). Many of our brands have established leadership positions in their markets and product categories and have long-standing reputations for innovation and quality.

**1889**

**Bricard**, invented the masterkey system

*remains the standard for convenient access today and ranks in the top 3 in France in its category*

**1908**

**Von Duprin**, invented the exit device or "panic release" bar and awarded the first exit device patent in 1909

*continues to make the finest emergency exit devices on the market today and ranks no. 1 in its category in North America*

**1920**

**Schlage**, established in 1920 and awarded the first patents granted for the cylindrical lock and the push button lock

*now a household name synonymous with strength and ranks no. 1 in its category in North America*

**1926**

**LCN**, established in 1926 and created the door closer in response to a request by Boston's Trinity Church

*ranks no. 1 in its category in North America*

**1926**

**CISA**, established in 1926 and patented the first electrically controlled lock

*known as a category innovator and ranks No. 1 in its product category in Italy*

**1942**

**Steelcraft Doors**, established in 1927 and developed the first mass-produced hollow metal door in 1942

*makes the largest variety of steel doors and frames available*

**2011**

**Safety and Security Institute** was established in Shanghai, China in July 2011

*first institute established in the security industry in China*

**2013**

**Allegion** was incorporated in Ireland in May 2013 and debuted on the NYSE in December 2013

*became constituent of the S&P 500® on Dec. 2, 2013*
