Phone Tracking

Please download our phone APP for IOS/Android system according to the instruction handbook after you bought trackers.

Tracking Car's Trails By Phone

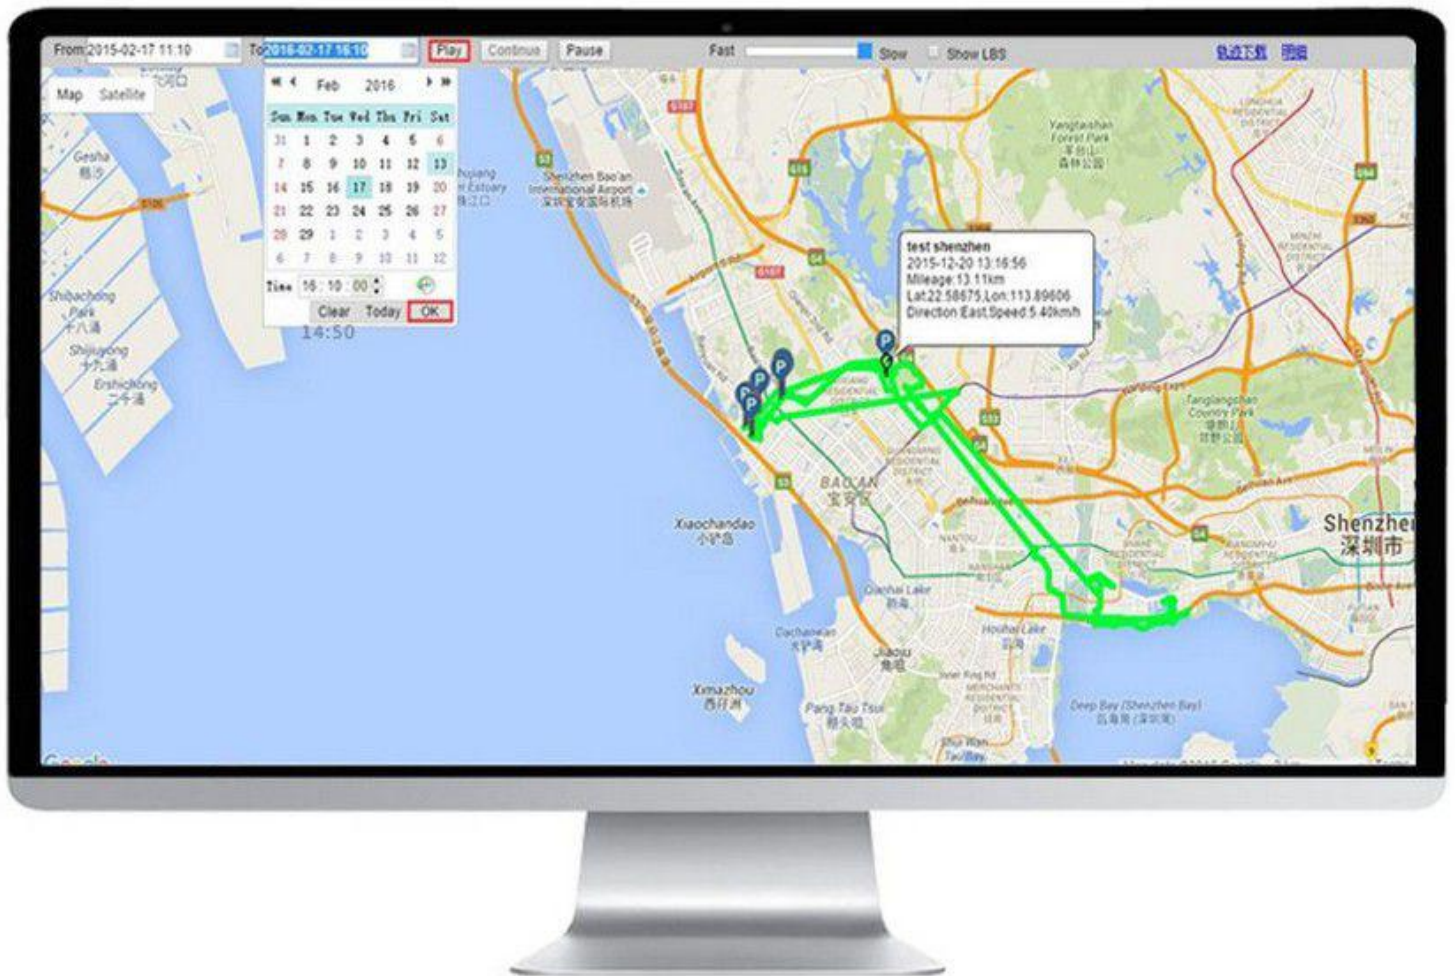

Tracking car's trails isn't a dream. We developed the APP for using smart phone to track the car. All you need to do is download and install the APP to your phone, and then you can track your car immediately.

Replaying Car's Historical Route

The historical moving route of the latest 3 months of the tracker can be replayed on our Android/IOS tracking APP or Webpage tracking platform.

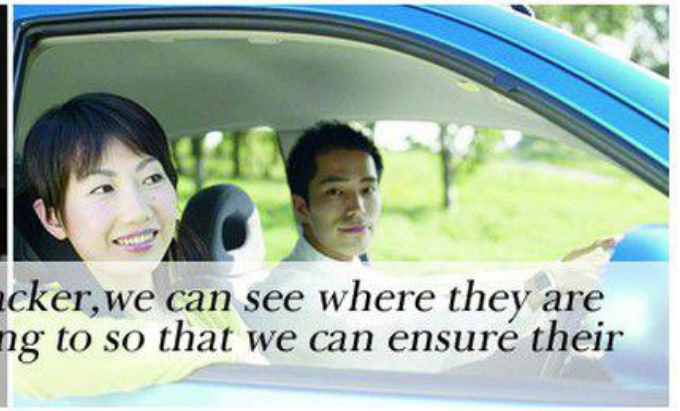

Historical Moving Route Replay on Computer Webpage Platform:

Personal Vehicle

Nowadays, thieves are active thus we are nervous everyday.
Except that, friends borrows our cars etc. will also make us upset...
BUT! A vehicle **GPS tracker can solve the problems!**

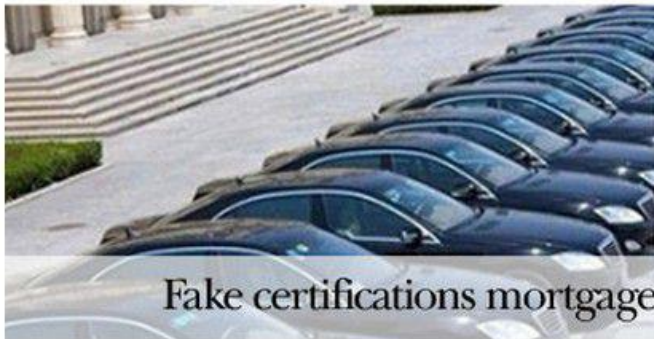

Also, by using the vehicle GPS tracker, we can see where they are and which direction they are going to so that we can ensure their safeties.
