

HC4120 TCP/IP Converter

Feature:

- Make your serial devices Internet ready
- Versatile socket operation modes, including TCP & REAL COM
- Easy-to-use Windows Utility for mass installation
- Cigarette pack size
- 50bps~ 230.4K bps Ethernet
- 2 wire RS-485 with patented Automatic Data Direction

Specification:

Power Input	DC 9V
Power Output	200mA@DC 9V
Interface	2 RS-485 ports
Speed	50bps~230.4Kbps(supports non standard baud rate)
Protection	AWG22 (20 unit max.)
Ethernet	10/100 Mbps
Working Temperature	5°C ~ 55 °C
Working Humidity	5% ~ 95% (No condensation)
Weight	80g
Dimension	88 x 53 x 23 mm
